Steps in Creating a Personalized Gift

- Begin with YOUR high resolution jpeg image (300 DPI) . This can be a logo, work of art, or a photograph.
- Decide on a product or collection of products that you want to have produced.
- Think about how your image will look in either a square or circular setting.
- Ask for a virtual presentation. You will be able to see how your art will look on the custom gifts.
- Discuss minimum order requirements.

Checklist: What You Need to Create Custom Gifts

What's Next?

I'm often asked what is next. Many times the next step is to send us your logo and we can begin creating virtual images of custom gifts with your art or logo.

Other times you may have questions. I've found that is best to talk and have a conversation about what your needs are.

Let's schedule a time to visit.

Please call or email.
