

# Steps to Create Custom Bottle Stopper

## Step 1

*Email Me Your Logo, Art, or Photograph. It should be a high-resolution jpeg or png.*

## Step 2

*Let me know what products you would like to create*

The Bottle Stopper & Marble Coaster are very popular.

## Step 3

*I email you back virtual images of how your art will look.*

## Step 4

*Finalize Packaging choices & quantity of gifts.*

Ribbon color for outside of box often matches your logo. Art is only on one side of stopper.

## Step 5

*Your custom order will ship via UPS. Please allow 3-4 weeks to create custom gifts.*

## Guidelines

- Your Jpeg or Png Image should be at least 300 DPI.
- Remember the area is a square.
- Images can be color, black/white or sepia.
- Minimum order 24 pieces.
- Set up fee waived with order of 60 pieces.
